

ONE THOUSAND PLUS RESUME ACTION WORDS

Action verbs are words that conjure up a positive image in the mind of the employer. Action words demonstrate action and results. They are concise and focused and give a resumé life.

Action verbs should be used anytime you describe your responsibilities, qualifications and are most effective when connected with your accomplishments/results.

The following list will help you find the right action verbs to describe your accomplishments. To make it easier, the key verbs have been sorted according to skill and strength areas employers desire from employees.
